COMPLAINT FOR PERMANENT INJUNCTION AND DAMAGES

Plaintiff Mount Hope Church and International Outreach Ministries (“Church”), by and through counsel, makes this Complaint against Defendants and states as follows:

1. This action arises from Defendants’ illegal conduct on Church premises during the Church’s Sunday morning services on November 9, 2008. Defendants intentionally acted and appeared in a threatening manner and physically obstructed not only traffic entering the Church parking lot, but access to the church building itself. Defendants’ conduct caused Church members to be intimidated, and interfered with their exercise of the First Amendment right to religious freedom in a place of worship.

2. Defendants' threatening conduct violated the Church's civil rights under the federal Freedom of Access to Clinic Entrances Act ("FACE"), 18 U.S.C. § 248, which protects the exercise of the First Amendment right to religious freedom at a place of worship from intimidation or interference as result of either threat of force or physical obstruction.

3. The Church seeks permanent injunctive relief and both compensatory and punitive damages, all of which it is authorized to receive under FACE.

FACTS

25. Mount Hope Church of Lansing Michigan attracts roughly 2,000 people each Sunday to its services. Its 11:30 service is one of its most popular services, with over 700 people in attendance.

26. Each service includes religious teaching, prayer, and singing. Members and visitors attend these services in order to participate in those religious activities.

27. Bash Back! is a self-described “radical” organization of individuals with chapters nationwide.

28. Bash Back! mandates that all of its chapters agree to four points in order to become recognized. The membership agreement requires “[a] rejection of...all forms of State power,” willingness to “[f]ight for liberation” and “[a]ctively oppose oppression,” and recognition that a chapter cannot “solely condemn an action on the grounds that the State deems it to be illegal.”

29. Bash Back! runs a website, Bash Back! News, that is used to disseminate information nationwide and internationally about its chapters’ activities.

30. Bash Back! Lansing is a recognized chapter of Bash Back! in Lansing, Michigan. It operates a website to disseminate information about itself and to recruit others to its cause.

31. Bash Back! and Bash Back! Lansing encourage violent and militant behavior.

32. For example, Bash Back! Lansing’s webpage states that “obviously we support violence,” that “we want to tear this world...to itsy bitsy pieces,” that “we want all phobes to have a real reason to fear us,” and that “a militant reaction is...necessary” to achieve its ends.

33. Bash Back! Lansing's webpage has images demonstrating this support for violence, including artistic renderings of an assault rifle with the words "BashBackChi@Riseup.net" in the lower right-hand corner.

34. Bash Back! Lansing also boasts that it has actually engaged in such behavior, stating that the group has been involved in "tire slashing and cop terrorizing" in the past.

35. Using the Bash Back! News website and its own website, Bash Back! Lansing recruited individuals from Indiana, Illinois, Tennessee, and Wisconsin to join with local Michigan individuals in conducting its protest, infiltration, and disruption at the Church. Printouts of the recruitment advertisements on those websites are included as Exhibit 1.

36. Defendants staged the protest, infiltration, and disruption at the Church on the morning of November 9, 2008.

37. The protest, infiltration, and disruption was carefully organized and included two separate groups of protestors, some demonstrating outside the Church and some sneaking inside the Church to disrupt its services.

The Outside Protest

38. The outside group consisted of about ten protestors who dressed in black with hooded attire and who covered their faces with bandanas.

39. One of the protestors was wearing a skull mask that covered his or her entire face.

40. According to the Defendants themselves, the attire was calculated to "look scary" and help create a "militant-looking presence outside" the Church. *See* Exhibit 1.

41. The outside group conducted an "extremely loud and wildly offensive" demonstration immediately outside a main entrance to the Church building, holding up signs with Satanic

symbols and messages, waiving an upside-down cross, and shouting on a bullhorn. *See Exhibit 2, Defendants' press release, "Bash Back! Raises Hell at Anti-Queer Mega-Church."*

42. Several Church members' ingress and/or egress to the Church building was made difficult or impossible while this demonstration was taking place.

43. One Church member who was trying to exit the Church was unable to do so because the outside group stood only about five feet from the doors at one point and because their behavior and attire made him fear they might be violent.

44. Upon request by Pastor Scott Thompson of the Church, the outside Defendants moved to the entrance of the Church property and resumed their demonstration by marching back and forth across the Church driveway.

45. Pastor Thompson observed Defendants blocking or hindering seven or eight vehicles from entering the Church during Defendants' demonstration there, which he is recorded stating in a 911 call to the police while the outside protest was ongoing.

46. Pastor Thompson reported Defendants' blocking to the police, in part, because access to the Church comes from a major five-lane road and Defendants' physical obstruction of the Church entrance was preventing vehicles from safely and quickly merging from the highway onto the Church property.

47. One Church member who had to drive through the Defendants' demonstration complained to Church security that the Defendants were making access to the Church dangerous and difficult.

48. A Church member also reported that he was fearful that he would be hit by traffic because the protestor's blocking forced him to keep his vehicle in the middle of the road,

vulnerable to fast-moving traffic. Finally, he was able to slowly drive forward to move protestors out of the way and get into the church parking lot.

49. Defendants Cailin Elizabeth Major, Wendie Renae Debnar, Michele Nicole Troutman, Samuel D. Krueger, Nathan James Keller, Anton Bollen, and Devin Scott Merget have all been identified by police as being a part of this demonstration outside the Church.

50. Part of the purpose of this demonstration was to act as a diversion, drawing the Church's security team out of the Church sanctuary. *See Ex. 2.*

The Inside Infiltration and Disruption

51. Meanwhile, a group of about ten protestors had already entered the church prior to the commencement of the outside protest.

52. This inside group was dressed in their "Sunday-best" to allow them to "blend with" the regular churchgoers and "infiltrate" the service. *See Ex. 1.*

53. Using cell phones and text messaging to coordinate their activities, about 40 minutes into the service the outside group signaled the inside group that "the [Church's security] guards had been lured outside," at which point the inside group "sprang into action." *See Ex. 2.*

54. The group stood up in the middle of the service, "began screaming loudly" and threw "over a thousand fliers" into the stunned congregation. *See Ex. 2.*

55. Two female members of the group, one of whom has been identified as Defendant Gina Wertz, went to the front of the sanctuary and began kissing each other near the podium.

56. A portion of the inside group had hidden in a closed-off balcony of the sanctuary and remained hidden there until hearing their screaming comrades initiating the inside protest. At that point, they loudly threw open a partitioning curtain at the edge of the balcony and hung a large sign from the balcony that read "IT'S OKAY TO BE GAY! BASH BACK!."

57. The majority of the inside group then ran from the building, pulling two fire alarms on their way out.

58. A few Defendants remained hidden in the congregation to observe the Church members' reactions.

59. Several Church members were terrorized by the Defendants' conduct inside the church.

60. At least one church member reported to staff that he and his wife were concerned for his family's safety because the radical nature of the demonstrators and the unabashed nature of their rhetoric. This member thought that he was going to have to defend his family and others who may be harmed physically.

61. One of the church staff members, David Williams, Jr., who was in attendance within the sanctuary of the church when the disturbance erupted, thought immediately of recent news coverage of a shooting at a church in Colorado. He was afraid that the protestors meant to harm church members and staff, and that the disturbance would turn violent.

62. A mother feared for her special-needs child and so immediately went to check on him after the initial protest in the sanctuary. While her son was unharmed, she became so "overcome with emotion" that she "could no longer speak" and could not return to the service. The protest has left her feeling afraid and makes her think twice about whether to return to the Church in the future.

63. In public statements after its conduct on November 9, Bash Back! Lansing has described the Church as a "personal enemy of Bash Back" with whom it was "angry" and against who it would "fight back." *See* Exhibit 3, Defendant Bash Back! Lansing's press release, "Why Mount Hope Church?? and press linx [sic]."

64. Defendant Amy “Andy” Field, in a radio interview, when asked whether she and the other Defendants’ conduct violated the Church’s civil rights, stated “I’m not concerned with their civil rights.” *See* Exhibit 4, transcript of Defendant Field’s radio interview.

65. Defendant Field further stated that one of the purposes of Bash Back!’s actions was to “inspire other people” to conduct similar protests in the future. *See* Ex. 4.

66. This purpose of Bash Back!’s has been realized, as at least two other attacks on churches have been either made or supported by Bash Back! chapters and have been both publicized and endorsed on Bash Back! News.

67. On November 17, 2008, the Bash Back! Olympia chapter vandalized a church building in Washington, rendering the doors inoperable by gluing the locks and spray-painting the exterior of the church. Their press release, posted on Bash Back! News, says that this church, a member of the Church of Jesus Christ of Latter Day Saints, needed to be “confronted, attacked, subverted and destroyed” and that Bash Back!’s actions were “a warning to be Mormon church” to “dissolve completely or be destroyed.” *See* Exhibit 5, “Bash Back! Olympia Trashes Mormon Church.”

68. On April 28, 2009, homosexual protestors disrupted the services of the Park Street Church in Boston, Massachusetts in a manner similar to the Mount Hope Church disruption. Protestors outside the church loudly decried the church’s meeting, at one point moving into an historic cemetery next to the church to conduct their protest, with one member putting a bullhorn against church windows to create a harsh shrieking sound. Then, as described on the Bash Back! News website, protestors who had entered the church interrupted the service on two occasions, once with shouted statements and once when two female members declared themselves to be

lesbians and embraced each other in the middle of the church. *See* Exhibit 6, “Boston Bashes Back Against Exodus.”

**FIRST CAUSE OF ACTION
VIOLATION OF 18 U.S.C. § 248
PHYSICAL OBSTRUCTION TO A PLACE OF WORSHIP**

69. The Church hereby incorporates by reference all foregoing allegations as if set forth fully herein.

70. FACE prohibits intentional physical obstruction that interferes with persons exercising their First Amendment right to freedom of religion at a place of worship.

71. Defendants Bash Back! and Bash Back! Lansing founded organizations that encourage physical obstruction of people and events that they oppose.

72. Further, Defendants Bash Back! and Bash Back! Lansing actively recruited individuals to carry out physical obstruction at the Church.

73. Individual Defendants at the Church, acting on the instigation of Bash Back! and Bash Back! Lansing, physically obstructed access to the Church in two separate ways.

74. First, individual Defendants physically obstructed access to the Church building itself by conducting a threatening demonstration in close proximity to the Church entrance.

75. Defendants’ behavior and location rendered ingress and egress to the Church building through the Church’s main entrance unreasonably difficult or impossible, preventing or hindering Church members from being able to enter or exit the building for several minutes.

76. Second, individual Defendants physically obstructed access to the Church parking lot marching back and forth across the driveway entrance.

77. Defendants' conduct rendered impassable ingress and egress to the church where people were lawfully exercising or seeking to exercise the First Amendment right to religious freedom at a place of worship.

78. Defendants' rendered passage to and/or from a place of worship unreasonably difficult or hazardous.

79. As such, Defendants' actions violated FACE's protection against physical obstruction that interferes with access to a place of religious worship.

80. Defendants are jointly and severely liable for these actions.

**SECOND CAUSE OF ACTION
VIOLATION OF 18 U.S.C. § 248
INTIMIDATION AT A PLACE OF WORSHIP**

81. The Church hereby incorporates by reference all foregoing allegations as if set forth fully herein.

82. FACE prohibits using threat of force to intentionally intimidate persons accessing a place of worship. Intimidate "means to place a person in reasonable apprehension of bodily harm to him-or herself or to another." 18 U.S.C. § 248(e)(3).

83. Defendants Bash Back! and Bash Back! Lansing actively recruited individuals nationwide to engage in a threatening, "militant" demonstration at the Church, instructing participants to wear "black and have a mask" in order to "look scary."

84. Defendants Bash Back! and Bash Back! Lansing also organized the "infiltration" of the Church sanctuary by disguised protest members, providing instructions on how to "blend with" the Church membership to avoid detection. Exhibits 2,4.

85. Individual Defendants in the outside group intentionally wore frightening, identity-hiding attire, held signs and symbols known to be associated with violence, and conducted an “extremely loud and wildly offensive” demonstration on Church premises. Exhibit 2.

86. Their appearance and conduct was intended to be intimidating and had its intended effect.

87. Individual Defendants in the inside group coordinated their activities with the outside group to occur at a time when Church security would not be in the Church sanctuary.

88. Defendants in the inside group initiated their activity by bursting up from their seats with simultaneous loud screaming, continued it by hurling paper at the startled congregation and engaging in offensive acts in front of the Church, and finished it by hanging a large banner from a restricted area—with the words “BASH BACK!” written on the banner.

89. The intentionally threatening actions of the individual Defendants left Church members feeling terrified, reasonably fearing and being in apprehension of bodily harm to themselves and their families. Several Church members have reported to church staff that they feel unsafe or insecure in returning to the Church.

90. As such, Defendants’ conduct violated FACE’s prohibition against force and threats of force that intimidate persons exercising their First Amendment right to religious freedom at a place of religious worship.

91. Defendants are jointly and severely liable for these actions.

**THIRD CAUSE OF ACTION
TRESPASS TO PROPERTY**

80. The Church hereby incorporates by reference all foregoing allegations as if set forth fully herein.

81. Defendants committed an unauthorized intrusion upon the private premises of the Church by invading the inside of the Church building, and by congregating outside the front doors of the Church building.

82. The Church has the right to exclusive possession of its land. Defendants' intrusion is a trespass under Michigan common law. *Adams v. Cleveland-Cliffs Iron Co.*, 237 Mich. App. 51, 60 (1999).

83. Defendants also damaged property in the commission of their trespass when they pulled fire alarms upon exiting the Church building.

84. Defendants are jointly and severally liable for these actions.

PRAYER FOR RELIEF

Wherefore, the Church prays for judgment against Defendants and respectfully requests the following relief:

A. Pursuant to 18 U.S.C. § 248(c)(1)(B), permanently enjoin Defendants from repeating their intrusions on the church property, blocking of ingress or egress of church property, and intimidating church members from exercising their right to free exercise of religion; and

B. Pursuant to 18 U.S.C. § 248(c)(1)(B) and common law trespass, award compensatory, punitive, and nominal damages for the damages suffered in violation of federal and state law in amount to be determined by the trier of fact; and

C. Pursuant to 18 U.S.C. § 248(c)(1)(B), costs and expenses the Church incurred in bringing this action, including reasonable attorneys' fees; and

D. Grant such other and further relief as the Court deems equitable, just, and proper.
